In the U.S.A., the products are distributed by BRP US Inc. †All other trademarks are the property of their respective owners. Information valid as of September 13, 2018. For other jurisdictions, see your local dealer. All competitive comparisons are based on 2019 models and on published manufacturer specifications at time of printing. BRP reserves the right, at any time, to discontinue or change specifications, prices, designs, features, models or equipment without incurring obligation. Some models depicted may include optional equipment. BRP highly recommends that all ATV drivers take a training course. For safety and training information, see your dealer or, in U.S.A. call the ATV Safety Institute at 1 (800) 887-2887. In Canada, call the Canadian Safety Council at 1 (613) 739-1535 ext 227. ATVs can be hazardous to operate. For your safety: the operator and passenger should wear a helmet, eye protection and other protective clothing. Always remember that riding and alcohol / drugs don't mix. Never ride on paved surfaces or public roads. Never engage in stunt driving. Avoid excessive speeds and be particularly careful on difficult terrain. ATVs with engine sizes of greater than 90cc are recommended for use only by those age 16 and older. Never carry passengers on any ATV not specifically designated for such us. Ride responsibly.
