1

From **Sygie's home screen**, tap the menu icon (three-line hamburger button at the bottom right).

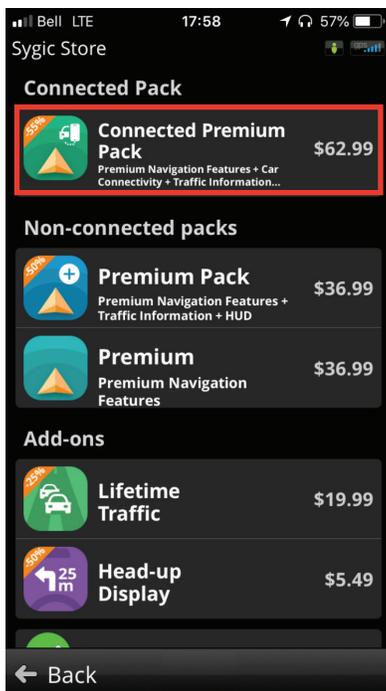

From the menu, select the **"Sygie Store"**.

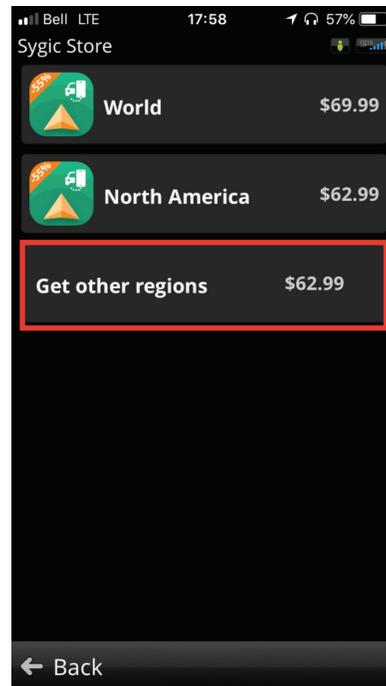

2

In the Sygie Store, tap **"Connected Premium Pack"**.**

3

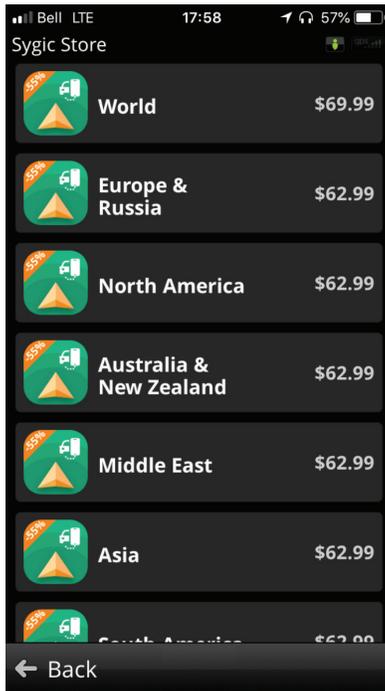

Now you need to **select a region**. Based on your needs, you can either choose the World map, the North America map, or tap "Get other regions" to view additional region options.

*Ensure your app store is properly configured to complete purchases on the app store: APPLE APP STORE: support.apple.com/en-ca/HT201266 GOOGLE PLAY STORE: support.google.com/googleplay/answer/4646404. **Prices may vary by region.

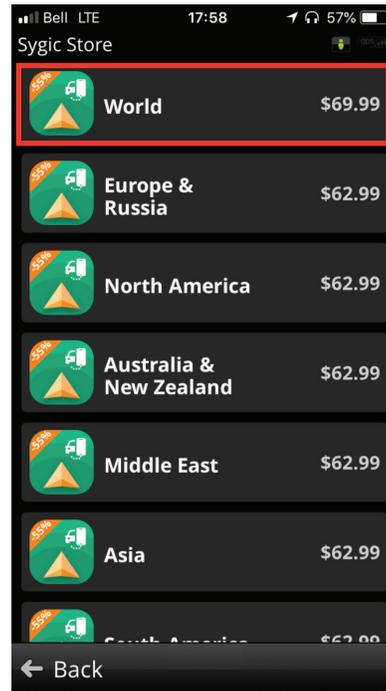

4

The complete list of available regions offered by Sygic appears.

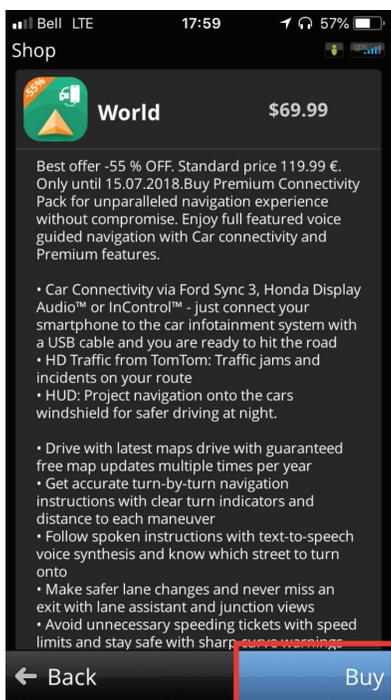

5

Scroll down to the map that is right for you and tap on it.

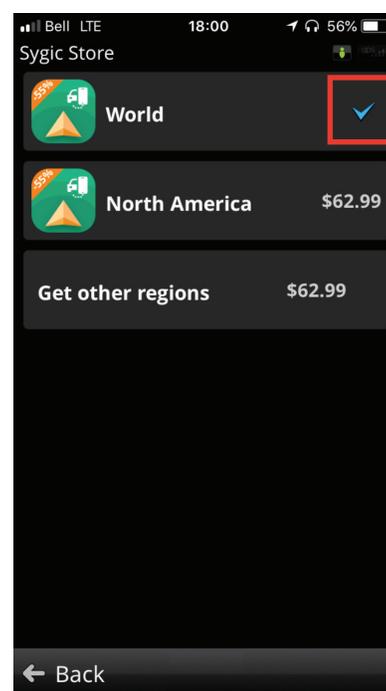

6

After making your selection, you will be prompted to purchase the map. Press "Buy" to proceed.

7

After the purchase, a checkmark appears in the region you selected, signifying the transaction was processed successfully.

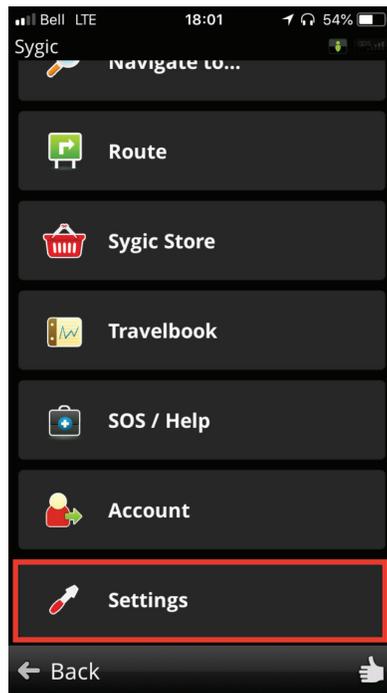

8

The next step is downloading the map of the area you intend to drive to or in. From the map screen, tap the **menu icon** (hamburger button at the bottom right).

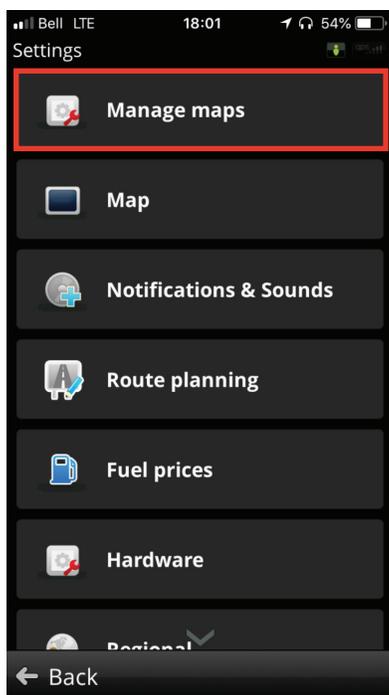

9

From the menu, select **"Settings"**.

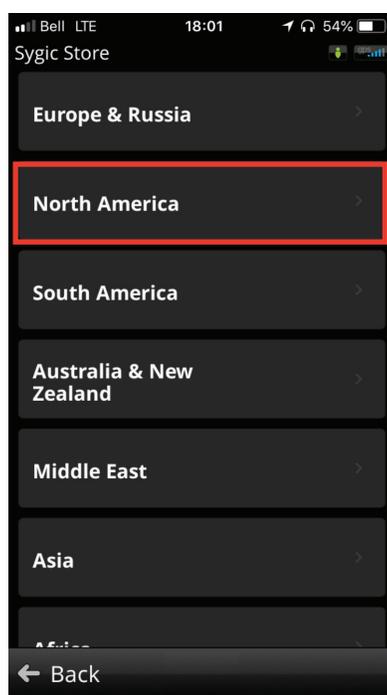

10

From the Settings menu, tap **"Manage maps"**.

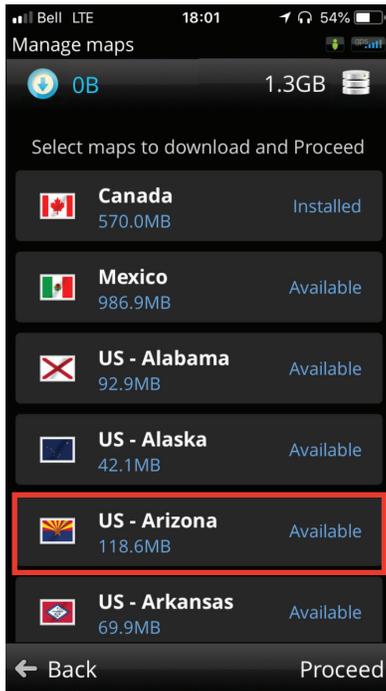

11

From the map manager, select the region for which you want to download maps. In this example, we will be selecting North America.

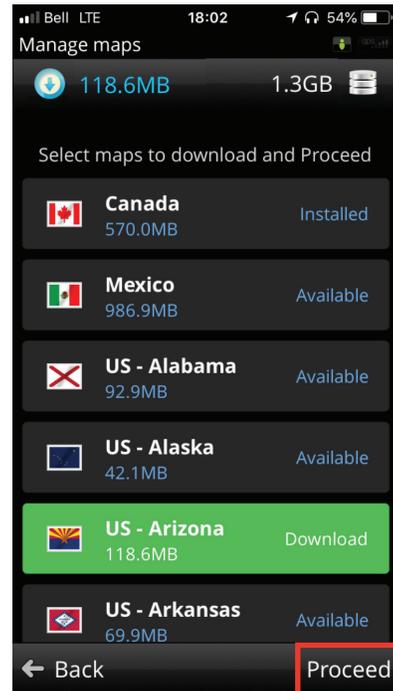

12

At this point, you will need to select the regions you plan to drive to or in.

13

Your selection will appear in green, signifying it is ready for downloading. Tap "Proceed" at the bottom right.

14

You map will start downloading. Once the download is completed, you will have access to the map on the Sygic home screen.
