## *OUR COMMITMENTS*

**TO CONVEY A POSITIVE IMAGE AND CONTRIBUTE TO THE SUSTAINABILITY OF MY PASSION, I COMMIT TO:**

### **RESPECTING EXISTING REGULATIONS BY**

- Holding the appropriate driving license
- Respecting speed limits
- Only taking tracks where the use of quads and SSVs is authorised
- Making sure my vehicle is properly insured and registered
- Making sure my vehicle complies with existing type-approval rules

### **RESPECTING THE ENVIRONMENT AND OTHER USERS BY**

- Respecting other users of trails (hikers, horse riders, cyclists, etc.), as well as local residents
- Respecting natural areas, crops and properties near the trails I ride on
- Being mindful of the animals I come across and not damaging their natural habitat
- Minimising the impact of my presence to preserve the state of the trails and their surroundings
- Taking the necessary equipment with me to pick up my litter

### **RIDING RESPONSIBLY BY**

- Preparing my itinerary before I set off and giving it to the people close to me
- Following the recommendations for use specified by the manufacturer in the Operator's guide provided to me, as well as on the safety labels placed on the vehicle
- Following maintenance instructions as recommended by the manufacturer
- Inspecting my vehicle before use and making sure it is in good working order
- Taking along communication devices (mobile phone for instance) and breakdown equipment (straps, puncture repair kit, etc.)

***Don't forget that ATVs and SSVs are primarily designed for off-road use.***
