© 2024 Bombardier Recreational Products Inc. (BRP). All rights reserved. ®, TM and the BRP logo are trademarks of BRP or its affiliates. In the USA, products are distributed by BRP US Inc. †All other trademarks are the property of their respective owners. BRP reserves the right to discontinue or change specifications, prices, designs, features, models or equipment without incurring obligation. Some models depicted may include optional equipment. Product's performance may vary depending on weather, temperature, altitude, driving ability and driver/passenger weight. BRP recommends that all ATV-SxS drivers take a training course. See your dealer or call the ATV Safety Institute at 1-800-887-2887 (USA) or the Canadian Safety Council at 1-613-739-1535 (Canada). ATVs and SxSs can be hazardous to operate. Never exceed the ATV-SxS's passenger capacity. All adult model ATVs are meant to be used by drivers of aged 16 and older. Y-6+ youth ATVs are meant to be used by children aged 6 and older. Y-10+ ATVs are meant to be used by children aged 10 and older. Y-14+ ATVs are meant to be used by children aged 14 and older. All children must have the right physical and psychological capabilities to use a youth ATV responsibly and be under an adult's supervision at all times. Do not ride on public trails with youth ATVs, unless permitted by state law. Carefully read the vehicle's operator's guide. Follow all instructional and safety material and observe applicable laws and regulations. ATVs and SxSs are for off-road use only; never ride on paved surfaces or public roads. For your safety, the operator and passenger(s) must wear a helmet, eye protection and applicable protective clothing. Always remember that riding, alcohol and drugs don't mix. Never engage in stunt driving. Avoid excessive speed and be particularly careful on difficult terrain. Always ride responsibly and safely. See your authorized BRP dealer for details and visit <https://can-am.brp.com>.

SIZING CHART

HOW TO MEASURE

- For best results, have someone else take measurements.
- Measure body in underwear.
- Tape must be snug but not tight.
- If measurements fall between two sizes, order the larger size.

1 HEAD	Around your head, from the center of the forehead, above the ears and over the natural bump at the back of the head.
2 ARM LENGTH	Let the hands hang down on the side in a slightly bent position. Measure from the center of the back of your neck, along the length of your arm, to the wrist.
3 CHEST / BUST	Measure under your arms, around the fullest part of your chest.
4 WAIST	Measure around your natural waistline, keeping one finger between the tape and body.
5 HIPS	Across the widest part of the seat.
6 INSEAM	Without shoes, from crotch to the floor.

What code represents your style?

- 1 Find your size and color.
- 2 The corresponding code is THE CODE you use to complete the part number on your order.

Example:
 440975 (style number for the Men's Sythe Mesh Jacket CE/UKCA)
 06 (sizing code M)
 90 (color code Black)

- Removable nose guard for extra deflection against debris.

CAN-AM x FASTHOUSE

Desert racing runs deep in Fasthouse's roots. Their passion is forged by the camaraderie, good times, and heritage of the trailblazers who came before us.

Fasthouse is built upon the legacy of those who came before it, while forging its own path of being the Purveyors of Good Times®. This collection merges Fasthouse's aesthetic with Can-Am Off-Road's prowess, a partnership that sets a new benchmark for off-road lifestyle, capturing the core of their shared values and leaving behind a legacy for all to revel in.
