Because of our ongoing commitment to product quality and innovation, BRP reserves the right at any time to discontinue or change specifications, price, design, features, models or equipment without incurring any obligation. Ride responsibly. BRP highly recommends that all ATV drivers take a training course. For safety and training information, see your dealer or in the U.S.A. call the ATV Safety Institute at 1-800-887-2827. In Canada, call the Canadian Safety Council at 1-613-759-1535, ext.227. ATVs can be hazardous to operate. For your safety, the operator and passenger should wear a helmet, eye protection and other protective clothing. Always remember that riding, alcohol and drugs don't mix. Never ride on paved surfaces or public roads. Never engage in stunt driving. Avoid excessive speeds and be particularly careful on difficult terrain. ATVs with engine sizes of greater than 90 cc are recommended for use only by those age 16 and older. Never carry passengers on any ATV not specifically designated for such use.
