Feature highlights

Premium aluminum cases

Robust aluminum top and side cases that provide an extra 120 L / 31.7 gal storage capacity to bring everything you need during your adventure! Easily removable when you want to change the configuration of your Can-Am Canyon.

Semi-active suspension: Smart-Shox

High-capacity KYB front and rear Smart-Shox constantly adapt shock compression and rebound to the terrain and vehicle movements, thanks to multiple sensors placed all around the vehicle.

Redrock coloration and trim

Premium and unique Sandstone satin coloration for a head-turning look combined with unique parts and trims coloration.

Premium comfort seat

Comfort seat for the driver and passenger to overcome any type of road in comfort during your long adventure. The unique coloration and texture complete this Premium Can-Am Canyon package.

Backup camera

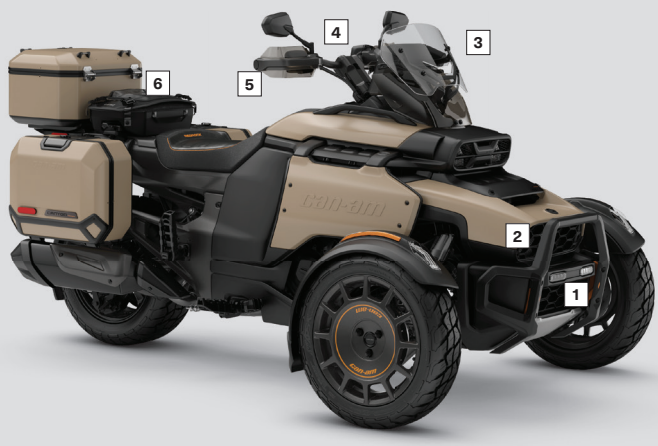

Improve user visibility when the vehicle is in reverse. Easy to use, the camera automatically appears on your screen when you put the vehicle in reverse.

Custom Drive mode

In addition to the 4 Drive modes, the Canyon Redrock allows you to create and save a personalized Drive mode by adjusting the stability system, power steering, engine and even suspension to suit your preferences.

Extensive accessory options

Select from more than 35 possible accessories to suit all your needs for your next adventure! The integration of the LinQ system with LinQ Nano, LinQ Lite and LinQ 16" anchor points allows for an easy, versatile and robust accessorization of the Can-Am Canyon.
