Feature highlights

UFit system

The UFit system allows you to adjust the pegs in 1 of 5 set positions according to your height and choose the handlebar based on your preferred riding style.

10.25 in. Touch Display with Apple CarPlay

A high-resolution infotainment system that puts an interactive, informative and customizable experience right at your fingertips. Compatible with Apple CarPlay and the BRP GO! app for navigation features.

LED headlights

The LED headlamps offer whiter illumination and a wider periphery, while reducing the amount of maintenance required. Leave nothing hidden with improved road visibility and precision lighting.

Saddlebags

Integrated hard-side luggage to allow you to take more with you on your adventure.

Sport windshield

Provides protection from the wind for improved comfort on the road.

BRP Audio system

Our 4-speaker sound system comes equipped with radio, USB and Bluetooth† so you can listen to your favourite music from any device.
