Feature highlights

10.25 in. Touch Display with Apple CarPlay

A high-resolution infotainment system that puts an interactive, informative and customizable experience right at your fingertips. Compatible with Apple CarPlay and the BRP GO! app for navigation features.

Touring floorboards

With the 23 in. (58.4 cm) touring floorboards, riders can now sit however they are most comfortable and change leg positions on long rides while enjoying easy access to the brakes.

Premium LED headlights

Premium LED headlights leave nothing hidden around the next turn with improved road visibility and precision lighting.

LinQ compatible

The ingenious addition of the LinQ accessories system allows adding and switching storage accessories easily and quickly.

Adjustable electric windshield

The adjustable electric windshield with memory function provides superior wind protection, and the memory function automatically returns the windshield to the lowest or previous height.

Saddlebags

Integrated hard-side luggage to allow you to take more with you on your adventure.
